

KYNAR AQUATEC®

Kynar Aquatec® is an innovative platform of emulsions, which are used by paint formulators to make premium weatherable water-based coatings.

Coatings formulated with these emulsions can provide the durability and performance of traditional **Kynar 500®** based coatings. They can easily be applied to a variety of substrates, including metals, plastics, wood, concrete, textiles, and previously painted surfaces. Now, the extreme weatherability of a **Kynar 500®** based coating is available in a VOC-compliant,
