

Ravapura® HDPE 7525

Ravago Manufacturing Europe - High Density Polyethylene

General Information

Product Description

Recycled polyethylene resin

General

Material Status	• Commercial: Active
Availability	• Europe
Recycled Content	• Post-Consumer (PCR), 75%
Features	• High Density
Uses	• Bottles
Appearance	• Light Grey • Natural Color • Medium Grey • White
Processing Method	• Blow Molding

Properties ¹

Physical	Nominal Value	Unit	Test Method
Density ²	0.954	g/cm ³	ISO 1183
Melt Mass-Flow Rate (MFR)			ISO 1133
190°C/2.16 kg	0.25	g/10 min	
190°C/21.6 kg	25	g/10 min	

Notes

¹ Typical properties: these are not to be construed as specifications.

² base resin
