

**PPC2NB***Technical Data Sheet***Impact Copolymer  
Extrusion****Applications**

- Strapping
- Profiles
- Slip Sheets

**Properties**

- Excellent Processability
- Good Color Stability
- Excellent Impact Strength

**Additives**

- None

**PROPERTIES****VALUE****METHOD**

|                                  |          |            |
|----------------------------------|----------|------------|
| Melt Flow (gm/10 min)            | 2.0      | ASTM D1238 |
| Density (gm/cc)                  | 0.900    | ASTM D1505 |
| Tensile at Yield, 50mm/min (psi) | 4000     | ASTM D638  |
| Elongation at Yield 50mm/min (%) | 8.5      | ASTM D638  |
| Flexural Modulus (psi)           | 180000   | ASTM D790  |
| Notched Izod at 23°C (ft-lb/in)  | No Break | ASTM D256  |

**FDA**

This material complies with FDA regulations in 21 CFR, section 177.1520(c).

**Additional Certifications**

This material may comply with additional regulations not included on this technical data sheet. Please contact your Trademark representative for details.
