

# TRADEMARK POLYPROPYLENE

## PPC2040M

Technical Data Sheet

## Impact Copolymer Injection Molding

### Applications

- Closures
- Housewares
- Compounding
- Automotive & ATV Parts

### Properties

- Excellent Processability
- High Impact Strength
- Good Paint Adhesion
- Good Color Stability

### Additives

- None

Properties	Value	Method
Melt Flow (gm/10 min)	20.0	ASTM D1238
Density (gm/cc)	0.900	ASTM D1505
Tensile at Yield, 50mm/min (psi)	3100	ASTM D638
Elongation at Yield 50mm/min (%)	6.0	ASTM D638
Flexural Modulus (psi)	147000	ASTM D790
Notched Izod at 23°C (ft-lb/in)	3.9	ASTM D256

### FDA

This material complies with FDA regulations in 21 CFR, section 177.1520.

### Additional Certifications

This material may comply with additional regulations not included on this technical data sheet. Please contact your Trademark representative for details.
